## Mission

Guiding our customers through the evolution of beauty and bringing it to the world.
Art Cosmetics recognizes the development and manufacture of safe, compliant, and high-quality cosmetic products as its primary objective, pursuing this goal through an approach focused on continuous improvement, customer satisfaction, and compliance with Good Manufacturing Practices (GMP) and Halal requirements for products bearing such certification.
The Company considers quality, reliability, and innovation to be fundamental pillars for strengthening and consolidating its presence in both domestic and international markets.

## Vision

To develop reliable, innovative, and compliant cosmetic products, creating value for Customers, Partners, and Consumers through a corporate culture focused on quality, accountability, and continuous improvement.

## Our Commitments:

**Customer satisfaction:**
Art Cosmetics is committed to:

- Understanding and meeting the needs and expectations of customers and interested parties, ensuring products that comply with specified requirements and are focused on achieving the highest level of customer satisfaction;
- Understanding and anticipating market trends and customer needs;
- Maintaining a strong consumer focus, with health and well-being considered fundamental prerequisites of our products and guiding principles for innovation;
- Continuously improving processes, services, and overall business performance.

**Quality, GMP & Process Control:**
Art Cosmetics guarantees:

- Compliance with all applicable regulations governing the cosmetics industry and adherence to the principles of Good Manufacturing Practices (GMP) in accordance with ISO 22716;
- The traceability of products and raw materials throughout all stages of the manufacturing process;
- Processes that are monitored, documented, and reviewed to ensure effectiveness and compliance;
- The continual improvement of the effectiveness of the Quality Management System through process monitoring, data analysis, and the management of nonconformities;
- A process-based approach founded on the assessment of risks and opportunities, aimed at preventing potential issues and ensuring the effectiveness of business activities;
- The training, awareness, and engagement of personnel as fundamental elements in achievg quality objectives;
- The selection and ongoing monitoring of qualified suppliers to ensure the quality, safety, and compliance of purchased raw materials and services;
- Management's commitment to providing adequate resources to maintain and continuously improve the Quality Management System.

**Halal certification requirements:**
Art Cosmetics undertakes, for certified products only, to:

HALAL

- Provide the necessary resources to ensure that production complies with Islamic regulations;
- Ensure that the Halal management team oversees compliance with Halal requirements for certified products;
- Provide appropriate training and raise awareness among all employees who have an influence on Halal production;
- Ensure that all raw materials are Halal and that the entire process complies with the requirements set out in Islamic regulations.

**People & Corporate Culture:**
Art Cosmetics is committed to:

- It promotes staff training, competence and engagement, fostering a culture of quality, GMP, Halal requirements and ethical principles, in accordance with the Code of Ethics and the Organisational Model pursuant to Legislative Decree 231/2001;
- This Quality Policy is communicated to, understood and applied by all company staff and is subject to periodic review.
